Putnam ARES Net Script

CQ CQ CQ, this is the Putnam County ARES NET, this is your net control station (YOUR CALL SIGN) located in (your QTH).

The Putnam County ARES NET is a directed net and is open to any amateur radio operator that has 2-meter privileges.

The purpose of this NET is to pass emergency traffic and tactical information during emergencies and to conduct training during non-emergency periods.

This net meets weekly on Tuesday evenings at 8PM on the 147.27 West Virginia Amateur Radio repeater located in Scott Depot, WV.

Additionally, the repeater can be accessed via Echolink on Node 46488 WV8AR-R.

If this was an actual emergency and your help was needed by a served agency, members of the Putnam County ARES would be contacted by phone text and phone voice, a feature of Hamclubonline.

Members would be directed to monitor 147.27 repeater for additional instructions.

Before I call for check ins, I would like to ask if there is any emergency or priority traffic, please call (net control) now.

(if there is no emergency or priority traffic, proceed to check-ins)
